THE WAY TO SELL **CHANGED**

ALL THIS

MADE US **CHANGE**

MADE US **UNDERSTAND**

GREAT BRANDS ARE BUILT ON
GREAT **EXPERIENCES**

BRANDS NEED TO BE MORE VISUALLY
INTELLIGENT THAN EVER
TO STAND OUT

LET'S LOOK AT **HOW** IT WORKS

WHAT
A **CLIENT**
WANTS TO **BUY**

WHAT
AN **AGENCY**
WANTS TO **SELL**

WE FIND A
PERFECT COMBINATION
BY BALANCING BOTH SIDES

ENIGMA IS A COLLECTIVE OF

Creators, Discoverers and Doers!

Born in 2019, Enigma is an amalgamation of a design studio, a technology company & a marketing agency.

We see the bigger picture, we are ambitious, we set the bar high in all facets of our work, we love what we do and most importantly, we were ***not made for the overpopulated plains of mediocrity!***

OUR ACTUTELY CURATED SERVICES TO BUILD
DIGITAL EXPERIENCES THAT MATTER!

WE CREATE DIGITAL BRAND EXPERIENCES

FOR THE WEB OF TOMORROW

At Enigma Digital, we are charting the unknown territory and mapping the digital future for visionaries who lead meaningful brands.

Armed to the teeth with the best artists, technologists, marketects, strategists, data junkies, and writers, we pride ourselves on modelling big, beautiful & audacious solutions for our brand partners.

WE SAVE BUSINESSES FROM **UGLY & INEPT DIGITAL PRODUCTS**

With over 100 years of combined team experience, we operate at the intersection of art, technology & consumer psychology to curate 'Integrated Digital Solutions' that drives action, creates a connection with your customers, and does not compromise!

HOW TO CREATE DIGITAL PRODUCTS **THAT**
HELP YOU WIN IN THE ENIGMATIC REALM
OF BITS & BYTES?

IT IS POSSIBLE TO CREATE ANY DIGITAL PRODUCT WITHOUT A STRATEGY, BUT IT WILL NOT HELP YOUR BUSINESS TO ADVANCE.

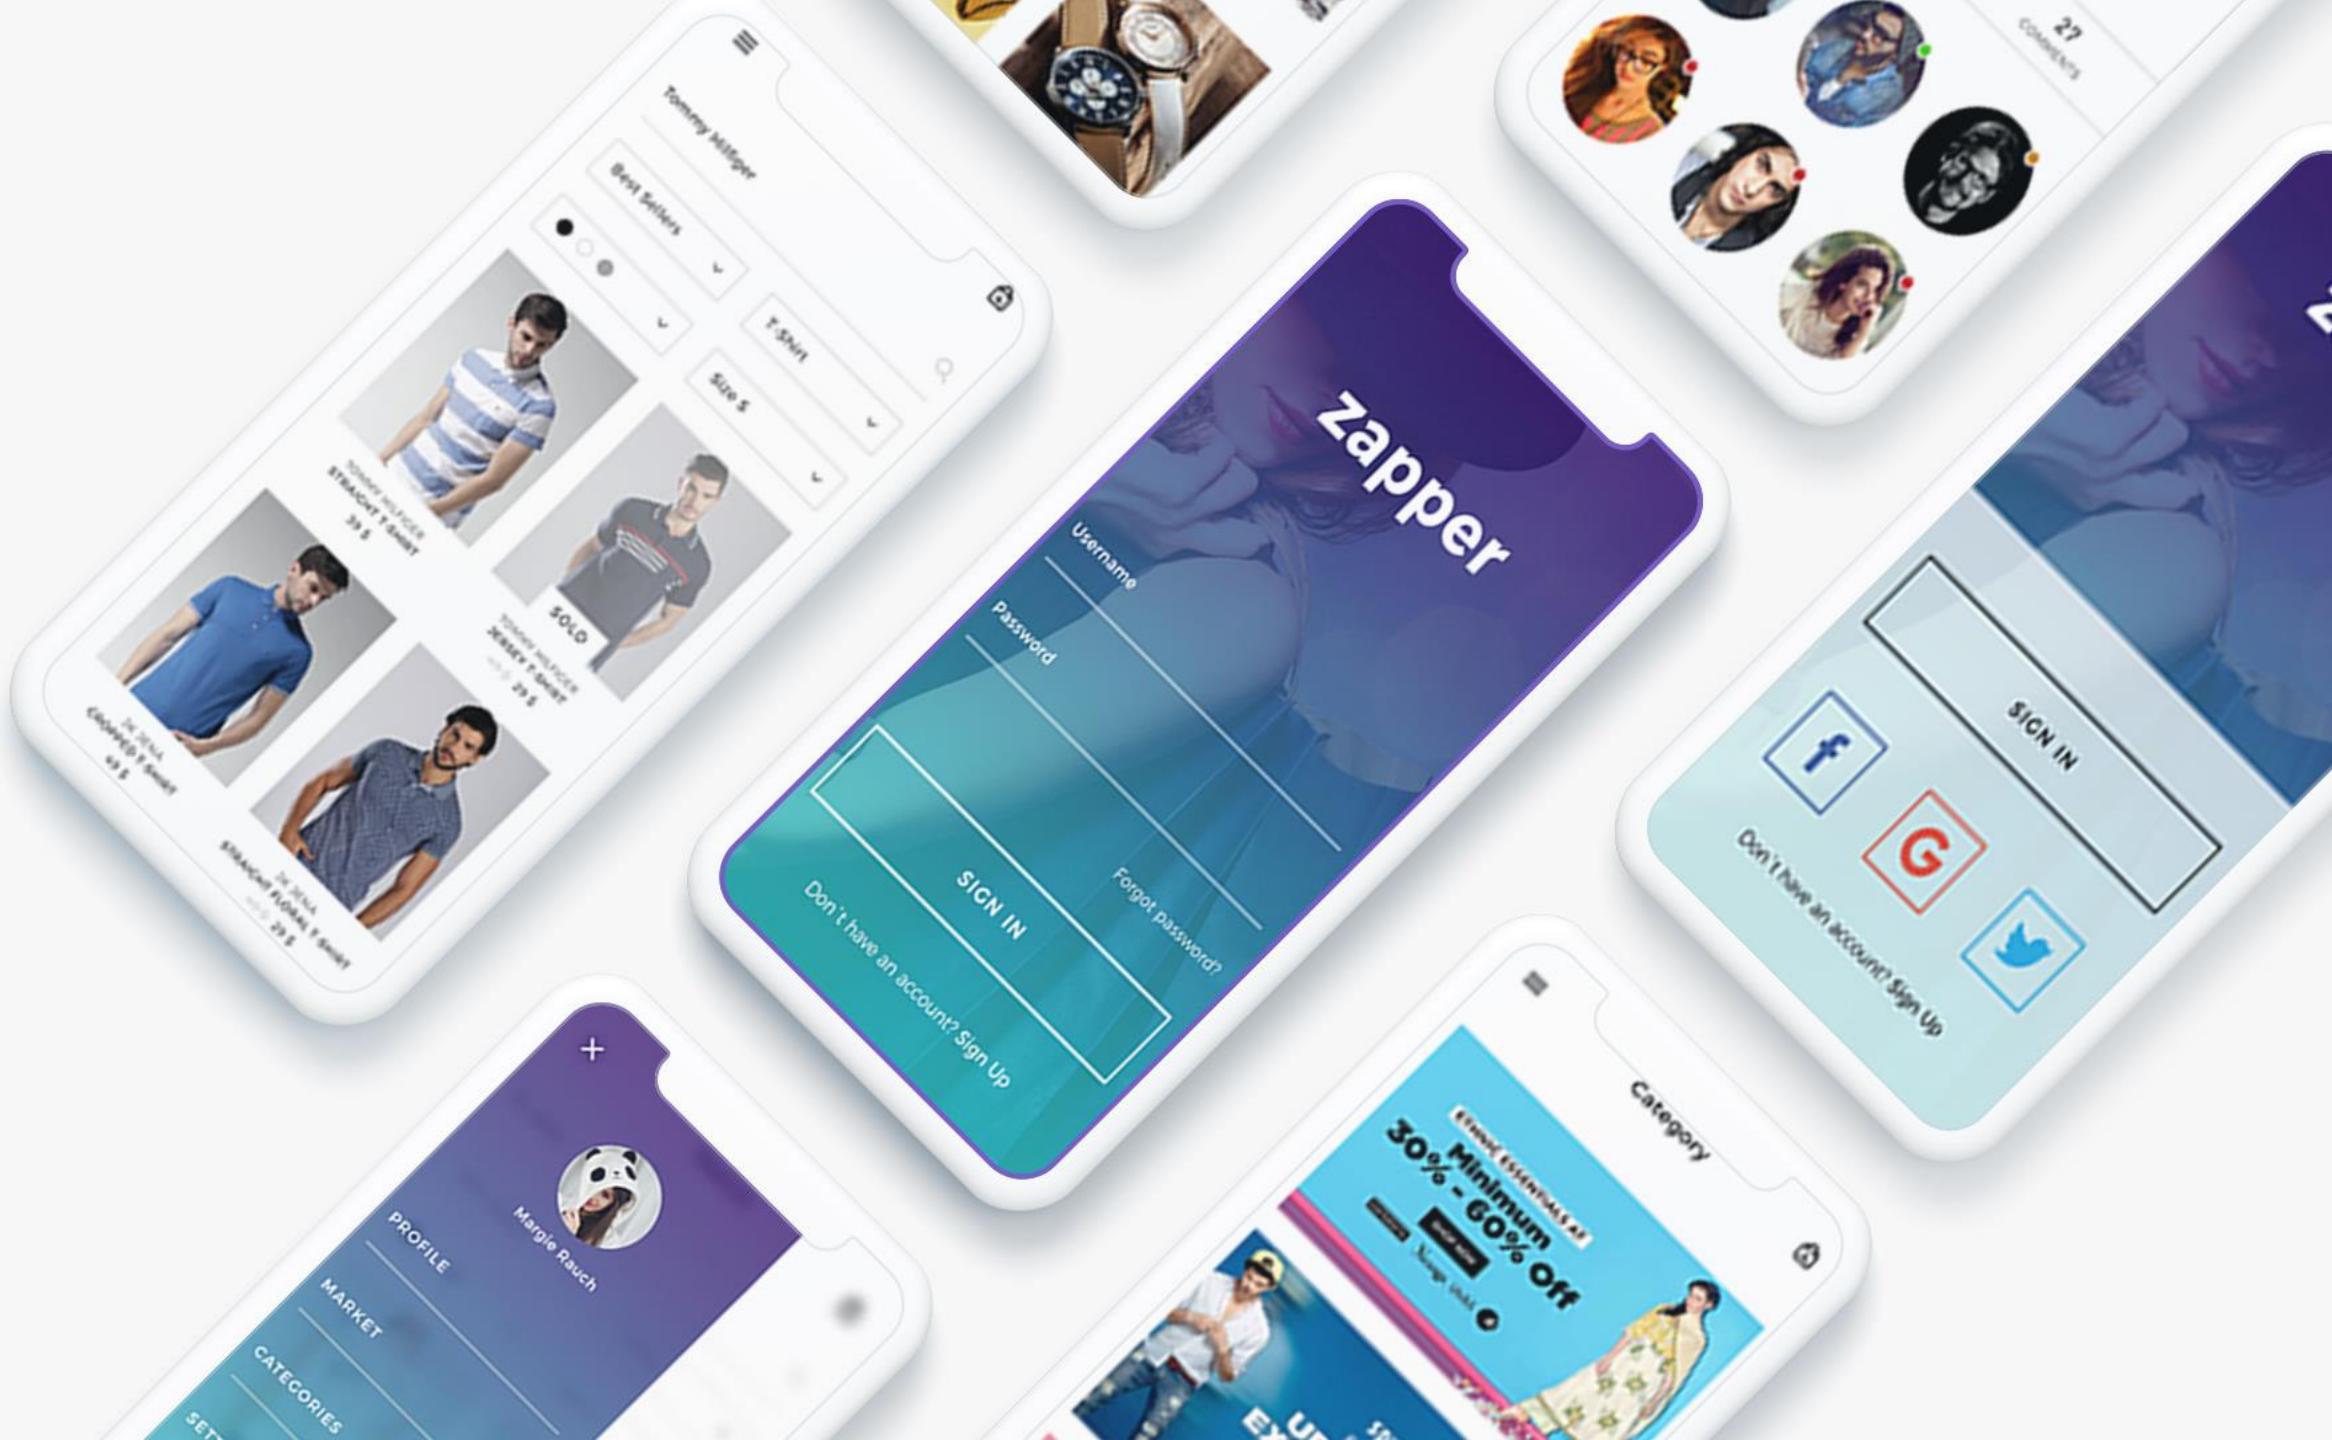

IN ORDER TO BE A USEFUL TOOL, IT HAS TO BE BASED ON A DEEP **ANALYSIS AND STRATEGY**.

These are the fundamental parts of work most web agencies skip.
We devote up to 40% of an overall project time to these activities because they define the success of a project.

RESULTS OF OUR WORK

MOBILE APP

B5 PLUS GROUP

Industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book.

[Install Patronum →](#)

Chat

"Why didn't you respond?" It can be hard to have a detailed, honest conversation with your team members. That's why we've created a feature that allows you to easily communicate with your team members. All you need to do is click on the message icon and start a conversation. You can even add attachments to your messages, such as files or images. This makes it easier for you to keep track of what's happening in your organization, and it also helps you stay connected with your team members.

[Chat With Us →](#)

Advanced Logging

Patronum provides administrators with an extensive logging feature which gives them the power to monitor and keep a track of updates to contacts within their whole system. See who is sharing what and to whom.

[Install Patronum →](#)

Video Call

At Patronum we believe in true communication. It's not just about having a video call, it's about being able to communicate effectively with your team members. That's why we've created a feature that allows you to easily communicate with your team members. All you need to do is click on the video call icon and start a conversation. You can even add attachments to your messages, such as files or images. This makes it easier for you to keep track of what's happening in your organization, and it also helps you stay connected with your team members.

[Give Us A Call →](#)

Screen Sharing

At Patronum we don't want you to have to create a long and complex support ticket. We want to help you at the right time and place, when you're having trouble. When Patronum we will be added to your chat, video and even screen sharing so that we can provide the best customer service in the industry. Our many diverse organization rely on a support ticketing system where customers log issues and sometimes will eventually get back to you. But most of the time, when Patronum we want to help you immediately directly from within our application.

THE STORY BEHIND

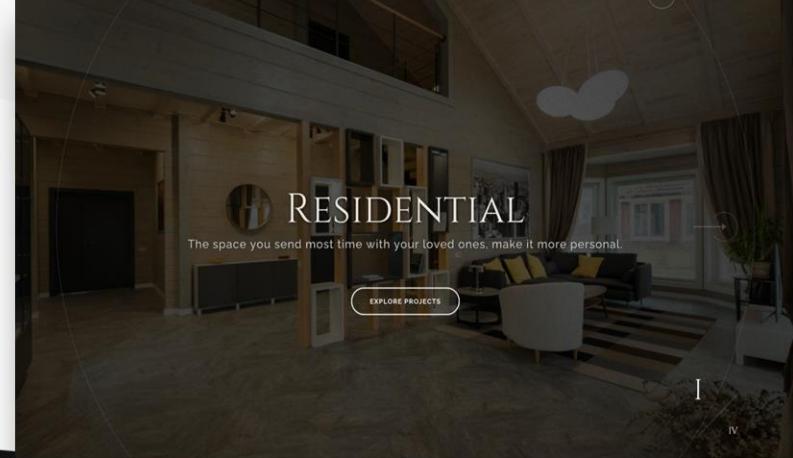

WORKING DOCUMENTATION

Our team will now focus on turning the visualised design into accurate drawings, which are an absolute necessity for any contractor.

It is the accuracy of the drawings that indicate the quality of designer and we proudly celebrate the skill and accuracy of designer(s).

ABOUT US

KedarKala is a "WHOLISTIC" design studio, specialising in commercial & residential building design & interiors. We create captivating experiences for our clients by transforming spaces where you spend a significant amount of your lives - your offices & your homes.

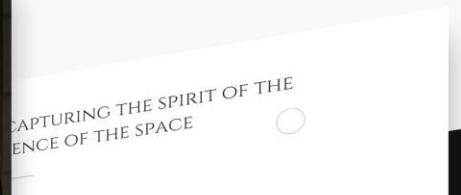

From foundation to furnishings, everything we do, we do for the love of design.

OUR SERVICES

RESIDENTIAL

CAPTURING THE SPIRIT OF THE
ENCE OF THE SPACE

Specializes in Residences, corporate offices, retail stores and hospitality, we are known for simplicity in the design approach. We juxtaposes the orthogonal nature of clean lines with a luxurious mix of materials colors and texture in order to create a distinct look for each project. We strongly believes that no space is too small to be designed as creativity has no size, nor limits.

At Kedar Kala, we believe in people and we believe in design, and we bring those two elements together to create spaces that reflect the values, desires and intentions of those who engage us. With an eye for color and scale, we advanced emotional intelligence and refined processes ensures a design that elevates your personality and brand and embeds a lasting impression.

WRAGBY 001

APP WEB

The image displays a collection of digital interface screens for the PatraPay platform, arranged in a overlapping, perspective-like layout. The interfaces are primarily blue and white, featuring the PatraPay logo and branding.

- Top Left:** A table view titled "APPLICATION" showing a list of applications with columns for ID, Business, First Name, Last Name, Status, Last Modified, and Created Date. One row is highlighted with a purple background, showing details like "TOTAL VALUE: \$20000" and "TOTAL PAYMENT: \$15000".
- Top Center:** A landing page for "PatraPay by PATRA" with a sign-up form for "SIGN UP TO CREATE YOUR PAYMENTS ACCOUNT". It features a cartoon character holding a credit card.
- Top Right:** A "PAY IN FULL" screen showing a table of accounts with columns for Account Number, Payment Type, Amount Received, Payment Date, Payment Status, and Payment Method. One account is marked as "PENDING".
- Middle Left:** An "ACCOUNT INFO" screen for a new account, with tabs for Payment Info, Payment Methods, and Account Info. It includes fields for Business Name, Mailing Address, Physical Address, First Name, Last Name, Email, and Phone.
- Middle Center:** A "Payment Methods" screen showing a credit card icon and fields for Credit Card Number, Card Holder Name, Expiry Date, and CVV. A "ADD CARD" button is present.
- Middle Right:** An "ACCOUNT SELECTION" screen for "PREMIUM FINANCE" accounts, similar to the top right screen but for a different product category.
- Bottom Left:** A "Business" search results screen titled "CBISally Agent Admin x". It shows a table with columns for Business, Status, Issue Date, and several rows of data.
- Bottom Center:** A "PAY IN FULL" screen for "PREMIUM FINANCE" accounts, identical to the one in the middle right.
- Bottom Right:** A "Business" search results screen titled "CBISally Agent Admin x". It shows a table with columns for Business, Status, Issue Date, and several rows of data.
